

Gallerie Je Reviens

FINE ART

Marco D. Pelletier, Founder, Director and Curator of *Gallerie Je Reviens* has literally been raised in the world of fine art. Born in Quebec, Mr. Pelletier was exposed from early childhood to its beauty, romance and emotion in his native French Canada, Paris and Normandy. His passion matured into a full time career devoted to its preservation.

Mr. Pelletier is recognized as one of the foremost art directors on today's horizon. In addition to the tutelage of his own gallery, he is sought out by galleries, museums, publications, and corporate and private collectors around the world for his expertise. Mr. Pelletier has also consulted with the U.S. State Department to provide art for Embassies, The White House and The Pageant of Peace organization.

In April, 1996, he proudly opened *Gallerie Je Reviens*. In a short time, the gallery's reputation spoke for itself...a true reflection of its Director. Located in Westport, Connecticut, Mr. Pelletier exhibits an eclectic collection of fine art featuring some of today's most important artists, including Kathy Jakobsen, Milton Bond, Mogart, Stéphane Bulan, André Bourrié, Diane Dufresne, René Dessainte, Michel Delacroix, Estivalet, Susan Slyman and Eugene Paprocki. The Gallery is open Wednesday through Saturday from 11:00 a.m. to 5:00 p.m. and on Sunday from 12:00 p.m. until 5:00 p.m. For further information, please call 203.227-7716. www.galleriejereviens.com

INFINITE VISIONS

Creativity, Harmony, Imagination
Jeffrey S. Rosenthal, M.D.
Board Certified Cosmetic
Plastic Surgeon,
Fairfield CT
Chief, Plastic Surgery,
Bridgeport Hospital
Artist, poet, writer, illustrator
and inventor

Dr. Rosenthal:
“The human form is the ultimate
artistic medium. The plastic sur-
geon and the artist harness similar
powers of conceptualization and
execution whether sculpting a
beautiful living soul or creating a
facsimile of life.”

*“It is Jeffrey’s ‘Infinite Vision’, his
endless imagination and universal,
timeless themes that enable him to
stimulate our intellect and create
such harmonious beauty in his art”,*
noted Gallerie Je Reviens’ Director,
Marco Pelletier.

*“Through his art Dr. Rosenthal has
the ability to preserve beauty by cap-
turing the moment – be it in one of
his original paintings, or photo-
graphs. And through his heart he cre-
ates yet another art: the art of giving.
Thus, this exhibition is once again a
benefit for the Norma F. Pfriem
Breast Care Center.”*

Catherine and Jeffrey Rosenthal, M.D.
