

Rhinoplasty surgery is a sculpting surgery that refines all components of the nose with surgical precision & artistry.

You will look like yourself, only better!

Beautiful noses are balanced to blend seamlessly with your face.

The goal is to enhance your nose while maintaining your personal appearance.

Rhinoplasty or nose surgery not only influences how you look but how you inwardly feel about yourself.

During the consultation,

Dr. Rosenthal will allay your anxieties and put you at ease.

Dr. Rosenthal's patients feel confident that they have chosen a knowledgeable surgeon and an artist who will listen to their desires.

Dr. Rosenthal is a Board Certified Plastic Surgeon who has been in private practice since 1985. Former Chief of Plastic Surgery at Bridgeport Hospital, Dr. Rosenthal has repeatedly been voted one of Connecticut's and Fairfield County's "Best" and "Top Plastic Surgeons." Dr. Rosenthal is an internationally accomplished artist with exhibits in France, New York, and Connecticut.

"I feel and look so great that I regret having waited so long."

"My teenager is so happy with her nose. I am thrilled that she is more socially active & school work has dramatically improved along with her self-confidence".

"Dr. Rosenthal, is a true artist who sculpted my nose to fit my face"

What can I expect from my Rhinoplasty?

- The Benefits are Psychological & Physical
- Renewed Confidence – Social skills
- A Refined nose which maintains your personal identity
- A Sculpted tip and narrowing of the bones that bulge out
- A Lowering of the nose hump without the scooped out appearance
- A Nose that is balanced to fit your face
- Minimal discomfort after surgery

What is the ideal timing for a Rhinoplasty?

- Teens 16-18 after their growth spurt & when they are psychologically prepared
- Young Adults 18-29 before, during or after college
- Female adults who have waited for a Rhinoplasty but now desire refinements in their appearance

My staff and I will do our utmost to take amazing care of you. We value your trust and the confidence you place in us by becoming a member of our family of patients. Looking as good on the outside as you feel on the inside is what we will accomplish together.
